### Rules For Riders

To enjoy your ride on the bus while allowing others to enjoy theirs too.

- Riders using mobility aid devices must have the ability to board, maneuver, and alight independently, safely, effectively and efficiently.
- Avoid using scented products such as perfume and cologne as they can aggravate allergies.
- Respect others. Do not use profane or discriminatory language while on the bus.

**What to bring on the bus**

- Strollers, bundle buggies or other bulky items are permitted but must not obstruct the aisles.
- Pets are only permitted in approved pet carriers.
- Bicycles are not permitted on any bus at any time.
- No devices containing fuel (e.g., propane tanks, gasoline cans, lawnmowers, etc.) are permitted on buses.

**Trans-Cab Information**

Trans-Cab Service is provided in areas of the City not serviced by regular bus routes. From these areas, you can take a cab to and from the designated trans-cab stop for a fixed rate that includes the bus fare.

**Trans-Cab To The Bus**

- Check the Transit map to see if you are in an area that is marked as a Trans-Cab zone.
- Dial 705-745-2424 at least an hour before you would like to be at a bus stop.
- A cab will come pick you up and bring you to the designated Trans-Cab stop. All routes will bring you downtown.
- See [peterborough.ca/transit](http://peterborough.ca/transit) for updated Transit fares.

**Trans-Cab From The Bus**

- Board the bus that takes you to the Trans-Cab zone you are going.
- Inform the driver you need a Trans-Cab and deposit the regular bus fare, plus the added Trans-Cab fare.
- The driver will give you a transfer and radio for a cab, which will meet you at the transfer point and drive you to your destination.
